

# **I wish it could be Christmas every day**

Oh, when the snowman brings the snow,  
Oh, well he just might like to know.  
He's put a great big smile on somebody's face.  
If you jump into your bed,  
Quickly cover up your head,  
Don't you lock the doors,  
You know that sweet Santa Claus is on the way.

When the snowman brings the snow,  
Well he just might like to know,  
He's put a great big smile on somebody's face,  
So if Santa brings the sleigh,  
All along the milky way,  
I'll sign my name on the rooftop in the snow then  
he may decide to stay.

**Chorus x 2**

## **Chorus**

Oh, well I wish it could be Christmas every day.  
When the kids start singing and the band begins  
to play.  
Oh I wish it could be Christmas every day.  
So let the bells ring out for Christmas.

When we're skating in the park,  
If the storm cloud paints it dark,  
Then your rosy cheeks will light my merry way.  
Now the frosticles appeared  
And they've frozen up my beard,  
So we'll lie by the fire till the sleep simply melts  
them all away.

**Chorus**

**Instrumental Break**
